Satisfactory/Unsatisfactory Grading Policy and Procedures:

Students may opt to have a course graded as S/U in lieu of the traditional letter grades by completing the Request for Undergraduate S/U Form by the end of the drop/add period for the semester.

Students cannot select S/U grading for any course that is required for their major(s), or is a prerequisite for their major(s) or UB Curriculum/General Education requirements.

No more than 25 percent of a student's UB credit can be graded S/U.

Instructors are not aware if students have selected the S/U option when they submit the earned letter grade. The Office of the Registrar will convert the letter grade to S/U for those students who have opted for S/U grading at the end of the semester. Students may recover the letter grade earned in a course graded S/U if: (a) that course is required for their major(s), or is a prerequisite for their major(s) to which they have changed; or (b) they can document that a graduate or professional school to which they have applied demands the letter grade earned. (Once recovered, the grade can not be reverted back to S/U grading).

The letter grades equivalent to "U" (unsatisfactory) are "C-," "D+," "D," and "F". Students who have opted for S/U grading and earn a "C-," "D+" or "D" may petition their advisor to recover the letter grade if they wish to use the course toward degree requirements.

For S/U Grading Procedures, see the Office of the Registrar website at <http://registrar.buffalo.edu/registration/policies/special-grading.php>.
